Treasurer Report

1. Mia Iden is checking into using Square Readers in concession stands
 - No contract with Square One
 - Charge 3% of purchases
 - There is a possibility we can use school ipads
 - Use of personal ipads & cell phones are an option as well
 - Mr. Parker feels there would be bigger and more purchases made at concessions if we gave people the option to use their bank cards
 - Tracy Rubis called for a vote for board approval to use Square Readers in concession stands.
 - All present approved the motion
2. Sherry Frable asked that everyone make sure they secure P.O.'s before they ask for payments or reimbursements out of the band parent bank accounts
 - Nothing should be bought without an approved P.O. otherwise you are not guaranteed to get reimbursed
 - P.O.'s have been known to take up to 2 weeks for approval

Fundraising

1. Ken Lakin reported the fireworks fundraiser was a success
 - 110 units were sold
 - \$4200.00 was dispersed into student accounts
 - Research into doing the fundraiser again next year
 - Fireworks will be sold again in the fall, possibly November, for New Year's Day

 - Research is being conducted as to what the tournament entails and the feasibility of hosting the tournament
3. Jeff Frable announced the first annual Trivia Night to be September 9th @ 7pm
 - Will be located at New Beginnings Church
 - Hoping to have 300 people
 - \$75 per ticket

- The committee is trying to secure community wide sponsors
 - Consideration as to what sponsors to approach will be given to the BTOB list of sponsors so that major sponsorships of BTOB won't be impacted
- The event will be promoted to the whole Bixby community, not just the band
- It would be ideal to raise a net goal of \$20,000, with \$15,000 being what we hope to get
- \$10,000 is the minimum goal to be raised
- Next committee meeting is scheduled for July 25 @ 6:30 P.M. at the Pizza Shoppe
- 3. Ad sales for BTOB have began with the students who sold ads to particular business getting the first chance to reach out to them again
 - After this week any unsecured business will be up for grabs for anyone to solicit
- 4. Tracy Rubis mentioned that Mr. Parker is looking for a volunteer to work with Mr. Summner
 - The volunteer will be helping Mr. Summner to secure corporate sponsorships for the band
 - They would also help put together a sponsorship program to help with major band purchases

 - Tracy Rubis will check with Mr. Parker to be sure
- 6. A discussion was had on the pros and cons to changing from having an event specific shirt provided to students and volunteers annually or having volunteers wear a volunteer specific shirt which would be the same every year negating the need to order and pay for new ones annually.
 - Tracy Rubis mentioned that Mr. Parker is hoping to phase the color blue out of the band's repertoire and making the band colors black, white, red, and grey. So that should be taken into consideration if a volunteer shirt was decided upon.
 - The point was mentioned that T-shirt sponsorship might be an issue regarding event specific vs. volunteer shirts
 - The cost of providing each volunteer with a free event specific shirt was also brought up
 - The possibility of having volunteer buy their own shirt from spirit wear sales was mentioned
