**Food infringement & Mishandling Infringement** Food and Mishandling Infringement will involve an assignment determined by Mr. Parker. This will put more responsibility on the student rather than the parent. Food Infringement constitutes consuming anything not provided by the Band Parent Organization or eating an item while in uniform that can stain the uniform. A Mishandling Infringement is failure to properly handle any piece of your uniform and includes, but not limited to: not hanging your bibs properly on the hanger or leaving your uniform in the band room instead of returning it to its proper assigned location in the uniform room. Guidelines have been established for maintaining the quality of the uniforms. **YOU ARE RESPONSIBLE FOR HANGING UP YOUR UNIFORM PROPERLY ON ITS HANGER AFTER BEING WORN.** Bibs are to be hung with the pant leg creases together, jackets hang on the top of the bibs with the hip cape properly snapped in place. Please leave the uniform OUT of the garment bag after contest preliminaries so they can air out/dry and be spot cleaned before the finals performance. Report any damages/stains to the Uniform Manager immediately. You will be given a total of 5 pairs of white gloves. They are not to be worn for practices when not in uniform. Those with brass instruments will be provided and wear black gloves for practices. You receive a new pair of white gloves for the first football game when uniforms are first worn and a new pair before each contest. Do not lose your gloves but be sure to wear new gloves at each contest. Gray compression pants and shirts provided are to be worn by all members with CONTEST uniform. You may also wear them with game uniform, but you are only required to wear them for CONTESTS. You may wear solid gray shorts and your practice T with your game uniform. If you choose to wear your compression wear on game nights, and you need them the next day for contests, it is your responsibility to wash them in time for the next day.

### **Other guidelines are as follows:**

- ★Wear gray compression wear at contests. ★Wear PLAIN gray shirts and shorts/leggings under uniform at games. No emblems, logos, stripes, etc. Exception gray practice t with red spartan head. No bulky pockets or sweatpants because they distort the shape of the uniform. ★Long white socks MUST be worn-with NO gray on the heel. NO ankle or other short socks are permitted. When wearing new shoes to break them in, only wear in stadium, do NOT wear on blacktop/pavement.
- ★Marching shoes must be cleaned prior to every event. Use Mean Green and a sponge or a Mr. Clean Magic Eraser. ★Hair MUST be worn tucked securely to fit under the uniform hat while in uniform. Boys and Girls. Contest hair includes no wisps of loose hair, so gel and Bobby pins are a must for a clean look. ★Only CLEAR, COLORLESS LIQUIDS may be consumed in uniform. ★NO CONDIMENTS on anything while in uniform.
- ★NO pizza, nachos, or chocolate while in uniform. Only food provided.
